### ATTENDANCE, TARDIES AND ABSENCES

The importance of good attendance cannot be stressed enough! It is crucial to student success. Please assure that your child arrives at school every day, on time, except in cases of illness, family emergencies, and other excused absences as listed in the KPBSD Policy Manual. Thank You

### THANK YOU!

Redoubt's Winter Carnival was a huge success this year!

Thank you to everyone who came out to support our school and students.

Thank you to all of the people who spent many hours volunteering their time helping with this event!

### VOLUNTEER DRIVERS

Driver registration and chaperone volunteer forms must be on file in the office prior to field trips. Forms can be found on the District website or at the office.

Be prepared and get your forms in EARLY!

### Reminder

We need a new form each school year.

#### HEALTH TIP

"My Head Hurts!" Colds and other illnesses can cause headaches, here are the top 3 common causes of headaches:

**Inadequate hydration.** Not drinking enough fluids is one of the biggest causes of headaches.

This is especially true when the weather gets warmer and kids become more active outside and lose fluid through sweating. If this is the case, the cure might be as simple as having your child drink more water.

**Fun Fact:** Did you know that 75-80% of your brain is made of water?

**Diet.** Does your child eat regular meals? Skipping one meal, like breakfast, can trigger a headache. It's also important to make sure that your child is eating a well-balanced diet with lots of fruits and vegetables. Too much caffeine and certain foods can cause a headache as well.

**Sleep.** The recommended amount of sleep for Kindergarten and Elementary school children is between 9-13 hours a night. Not sleeping enough at night can cause a headache and getting less than 9 hours isn't enough to feel well-rested.

### EARLY RELEASE DAY

Wednesday, APRIL 5th.
