Catalogs and order packets have been sent home with students.

All monies raised will be used to benefit our school and students.

Thank You!

FREE & REDUCED LUNCH PROGRAM

Students who were receiving lunch benefits at the end of last school year will continue receiving benefits through October 3rd.

October 4th is the drop date unless a new application has been submitted and approved.

A new application must be filed each year.

We Need Your Help Today!

Redoubt is in danger of losing its preschool program. The program is funded by the federal government and the school's allotment is based on the number of students qualifying for free and reduced lunch.

We need EVERY family to please fill out and return the Student Programs Application, whether you think you qualify or not.

Often families qualify who think they won't and if a family does qualify, you do not have to use it.
